Policy Statement:

Our Service will provide an environment that reflects the principles in 'My Time, Our Place' where the development of secure, respectful and reciprocal relationships with children, are fostered and encouraged and genuine respect for diversity and a commitment to equity is reflected in all our interactions with children.

We will endeavor through our interactions with children to nurture their optimism, happiness and sense of fun and we will aim to recognise and respond to barriers which may impact on children achieving a positive sense of self identify.

Educators will utilise opportunities in their interactions with children to develop an understanding of each other's expectations leading to a deeper understanding of each other and the negotiation of clear boundaries regarding safety, respect for others and procedures for creating a caring environment.

Procedures:

a) The educators will:

- Maintain a positive attitude in all interactions with children.
- Listen carefully to children's experiences and perspectives and show interest in their ideas and perspectives.
- Respect children as individuals and encourage each child to voice their opinions, concerns and ideas in a supportive forum that is free from stigmatism.
- Support children in feeling confident in the environment by never using strategies such as shouting, threats of corporal punishment or the refusal of food or other basic needs. Educators will always treat children with respect, courtesy and understanding.
- Treat children equally regardless of race, cultural background, religion, sex or ability and ensure interactions between children and educators exhibit this.
- Sensitively manage children who are having difficulty conveying their message or managing their emotions.
- Ensure children understand what is being communicated to them during interactions and allow them time to question or respond.
- Speak to children at their level and use voice intonations, facial expressions and body language to assist in conveying messages.
- Engage in one on one conversations with all children and develop an understanding of their likes, dislikes and interests.

- Keep rules simple and only have a small number of concise rules that children understand, focusing on appreciating and caring for each other and the environment. All staff, families and children will be made aware of the rules and the expected consequences. The rules will be clearly displayed.
- Ensure that all educators enforce the rules and consequences consistently at all times. Consequences will be relevant to the situation and never demeaning.
- Follow up all issues that arise by discussing the situation with the child and strategising for better solutions in future issues.
- Collaborate with family members and schools regarding appropriate behaviour management practices to ensure there is a consistent approach.
- Access professional development and resources related to positive behaviour management and include this in professional development planning.
- Act as a positive role model for appropriate and expected behaviours in the service being mindful of respectful language and tone.

- Encourage and reward acceptable behaviour by giving praise and positive feedback to children as often as possible.
